RE: U.S. Patent Application Serial No. 10/229,765
Our File No. 20009.0272US01

A response was due without fee on January 7, 2006, which fell on a Saturday. We filed the response on the following Monday, January 9, 2006, with a certificate of mailing so NO fee should have been due. However the PTO **incorrectly** charged our deposit account in the amount of \$120 for a one-month extension of time. Our account should not have been charged. The response was timely filed.

RE: U.S. Patent Application Serial No. 10/614,385
Our File No. 20018.0001US01

This application was filed on July 7, 2003 with two independent claims. A response was filed on January 19, 2006 adding one additional independent claim, making it **a total of 3 independent claims**. Our deposit account was **incorrectly** charged \$100 for an additional claim, but there was only 3 independent claims total. Our account should not have been charged.

Further to above, please credit our deposit account accordingly for the amount of **\$220.00**.
